STATEMENT OF PROBABLE CAUSE

(For issuance of an arrest warrant or summons)

I state that on 12/11/2022 while exercising my duties as a law enforcement officer in the District of AZ

I state that on February 13, 2023, while exercising my duties as a Law Enforcement Officer in the District of Arizona I, USDA Forest Service (FS) Law Enforcement Officer (LEO) Rosales, was on duty wearing authorized uniform within the jurisdiction of the Coconino National Forest. At approximately 0904 hours, FS LEO Roper and I received a report from a FS employee about a closed gate on Forest Road (FR) 538B having the locked cut off.

The gates on FR 538B/ 538, also known as Casner Mountain road are closed during the winter to prevent road damaged cause by vehicles and heavy traffic and are only open for Off highway Vehicles (OHV) that are 62" or less in length or to vehicles with a free permit. Near the gates the FS employee had set a trail cam that pointed to the gates to ensure that the vehicles that are accessing the gate were the proper permit holders or that fit the 62" or less size.

At approximately 1606 hours on 12/11/22 a white Ford truck is captured by the trail camera in front of the closed gate, the trail cam then captures another photo of the same truck bearing license plate AZ. driving through the open gate at approximately 1610 hours. At approximately 2244 hours a trail cam located at a different gate along the same road, a male is captured approaching the gate. A series of pictures are captured from 2245-2248 hours of the male with bolt cutters cutting the gates chain. The trail cam captures the same white Ford truck going through the gate along with the male returning to close the gate.

The Registered Owner (RO) of the truck came back to Jonathan GREEN. Additionally, the physical descriptions of GREEN's drivers license matched the physical appearance of the male in the pictures captured from the trail cam. I obtain a number by running through a local database which was his daughters, I asked if I could have GREEN's number which she gave. I called twice with no answer from GREEN. After 2 days passed, I called GREEN again leaving my email contact information along with the Red Rock Visitor Center phone number and to contact me, with no responses via email or calls.

I issued GREEN a violation notice for a violation of 36 CFR 261.9(a), Damaging any natural feature or other property of the United States. Cutting locks and chain on closed gates on Forest Road 538B/ 538.

The foregoing statement is based upon:
